Dear Mrs. Manley:

Your letter received. We are playing in Birmingham April 20th and therefore it will be possible for us to meet your team at any point if it is possible to get some parks. I have not heard from Montgomery and I don't have the Mobile schedule as yet. Until I get these my hands are tied.

As for the 27th Memphis is playing in Little Rock and the best I can do is Pine Bluff, Ark. I have been cut out of some spots because I wouldn't give Chicago the May 4th date in Birmingham which I gave to you. These spots were not in my territory so I don't suppose I can complain.

You can send your publicity to me here. We want to make that a good date in Birmingham as a lot of pressure has brought to bear on me to cancel the game with you. After the 4th in Birmingham we could play in Louisville if this is not off your route. This is just a suggestion. Let me hear from you and if anything turns up I'll let you know at once.

Yours very truly,

Tom Hayes Jr.
